

DR. JOHN LANGE

Founding Partner | AI.FUND

John has worked in the digital industry for 30 years and is an experienced investment professional with an exceptional track record. He was instrumental in building and growing Axel Springer's industry-leading digital investment portfolio, which included more than 180 investments with majority stakes in unicorns such as Stepstone and minority stakes in Airbnb and Uber. Prior to that, he was responsible for the successful IPO of e-commerce software pioneer Intershop at Neuer Markt and Nasdaq. John is co-founder and startup mentor of the AI.Startup.Hub and initiator of the CVC Circle Hamburg.
